Adam Zatorski  
King Systems  
Crested Butte, Colorado

Dear Adam,

I am writing this to express my appreciation for the fine audio/video/security system your team installed in my home in Crested Butte. Moreover, I want to thank you for the prompt and patient attention you have always provided when I needed help. You folks have certainly surpassed my expectations, and I encourage you to use me as a reference.

Best wishes,

JH Jones
